# Brightleaf Analytics — Travel & Expenses Policy

*Fictional content. Sample document for the RAG Generator demo.*

## 1. Booking travel

All business travel must be booked through the TravelDesk portal at least 14 days in advance where possible. Trips must be approved by your line manager before booking.

Economy class is required for flights shorter than 6 hours. Premium economy may be booked for flights of 6 hours or longer. Business class requires written approval from a director.

Rail travel is preferred over flights for journeys under 4 hours. Standard class rail is the default.

## 2. Accommodation

The nightly hotel limit is 180 EUR in most cities and 250 EUR in London, Paris, New York, Tokyo and Zurich. Rates above the limit need finance approval before booking.

## 3. Meals and daily allowance

Employees receive a daily meal allowance of 60 EUR when travelling overnight, and 25 EUR for day trips longer than 8 hours. Alcohol is not reimbursable except at approved client entertainment events.

Client entertainment is capped at 90 EUR per person and must list all attendees on the expense claim.

## 4. Mileage

Use of a personal car for business is reimbursed at 0.30 EUR per kilometre. Commuting between home and your usual office is not reimbursable.

## 5. Submitting expenses

Expense claims must be submitted in the Expensify app within 30 days of the expense being incurred. Claims submitted after 90 days will not be reimbursed.

Itemised receipts are required for every expense over 25 EUR. Approved claims are paid with the next monthly payroll run, provided they are approved by the 20th of the month.

The company corporate card may be used for travel and accommodation only. Personal purchases on the corporate card must be repaid within 14 days.
